DATA SHEET

Sirman Tosti 18 VV Conveyor Toaster

30144102

Build

- Constructed entirely from AISI 304 stainless steel for durability, hygiene and corrosion resistance
- Conveyor made from AISI 304 stainless steel for durability and easy cleaning
- Fan-cooled motor ensures reliable operation during extended use
- Integrated cooling fan prevents overheating and protects users from accidental burns
- Reinforced heating elements offer enhanced durability against burnout and mechanical damage
- Reflective upper and lower heating elements provide fast, even heat distribution
- Independently selectable upper and lower elements allow precise control for ideal toasting results
- User-friendly loading rack with options for rear or front product discharge
- Variable speed motor enables flexible control based on product type and desired finish
- Protective casing around controls enhances safety and prevents accidental adjustments

Technical specifications

External Size

External Width	294mm
External Depth	418mm
External Height	349mm

Weight

Net weight	12 kg
package weight	14 kg

Technical Features

Output per hour	Up to 360
Conveyor length	500mm
Conveyor Depth	185mm

Connection requirements electric

Electrical connected loads	1300W
Voltage	240 1N/50Hz
Plug Supplied	Yes

Warranty

2 Year Warranty	2 years parts and labour

**Subject to a prevanttitive maintence plan*
