## Lotus CPA-76ET Electric 40L Single Tank Pasta Cooker

08100635

70-Series

ITALIAN CULINARY ART

### Build

- Heavy-duty construction made from premium CrNi 18/10 AISI 304 stainless steel with Scotch-Brite satin finish. Featuring a 2mm thick worktop, rounded edges, chrome details, and rear splash-back.
- Tank constructed completely in AISI 316 Stainless Steel
- Waterproof chromed knobs with an IPX5 waterproof rating
- Automatic water loading with a level sensor keeps the tank topped up as needed. A water skimmer removes scum and starch buildup, maintaining clean water for longer use. An overflow device ensures proper water levels, and automatic floor drainage activates when required.
- High performance tubular heating elements with safety thermostat and 4 position switch ensure rapid heat times and minimal heat loss.
- Easy Tank Cleaning utilizes a specially designed rotating heating element, creating clear space for effective sanitizing and ensuring all areas of the tank are thoroughly cleaned.
- Large selection of perforated pasta baskets with safety handles, available in different sizes for multiple product cooking. (Baskets Excluded)
- Designed for easy maintenance and serviceability, with all parts accessible by simply removing the front control panel.

### Options

#### Basket

|                          |                        |                |

### Technical specifications

#### External Size

|                 |       |
|-----------------|-------|
| External Width  | 600mm |
| External Depth  | 705mm |
| External Height | 900mm |

#### Weight

|                |      |
|----------------|------|
| Net weight     |      |
| package weight | 78kg |

#### Technical Features

|                         |                    |
|-------------------------|--------------------|
| Element Power           | 13.5 kW            |
| Tank Size               | 51 x 30.7 x 32.7cm |
| Tank Capacity           | 40L                |
| Automatic Water Loading | Included           |

#### Connection requirements electric

|                            |         |
|----------------------------|---------|
| Electrical connected loads | 13.5 kW |
| Voltage                    | 400V~3N |
| Plug Supplied              | No      |

#### Connection requirements water

|                       |        |
|-----------------------|--------|
| Cold Water Connection | 3/4" M |
|-----------------------|--------|

#### Warranty

|                 |                          |
|-----------------|--------------------------|
| 2 Year Warranty | 2 years parts and labour |
|-----------------|--------------------------|

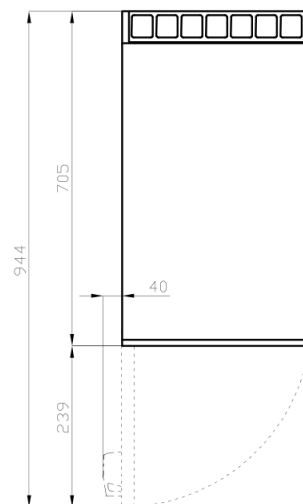

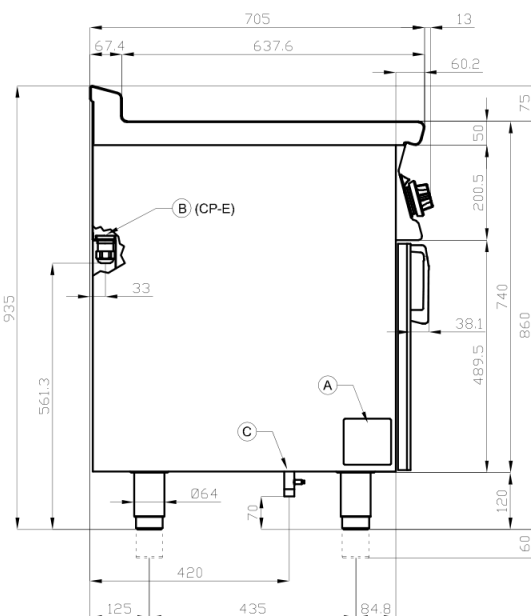

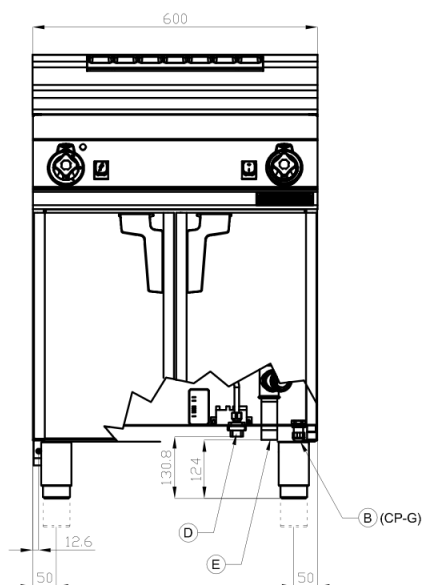

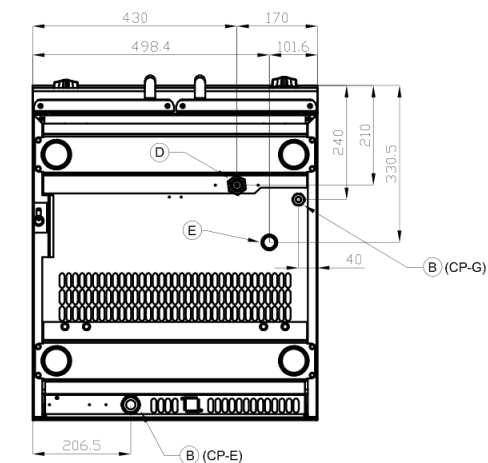

*\*Subject to a preventitive maintenance plan*
