Lotus CWK-94ET 400mm Direct Contact Electric Char Grill

09080431

90-SERIES

ITALIAN CULINARY ART

Build

- Professional Electric char grill on open cupboard base. Heavy-duty construction made from premium CrNi 18/10 AISI 304 stainless steel with Scotch-Brite satin finish. It features a 2mm thick worktop, rounded edges, chrome details, and a rear splashback.
- Waterproof chromed knobs with an IPX5 waterproof rating
- Powerful 5.415 kW high-efficiency elements provide rapid heating, directly contacting the food, and ensure precise heat control through thermostatic regulation.
- Equipped with a water compartment and a specialized reflective system to optimize heat intensity, the water bath collects fats, reduces smoke, enhances juiciness, and ensures the finished product meets the highest standards by cooking with direct heat.
- Direct contact stainless steel elements are constructed for food grade use and suitable for direct cooking. The elements are easily lifted up and rotatable for easy cleaning and maintenance.
- The unit is supplied with adjustable feet for ground leveling.
- Removable Large capacity liquid grease collectors and easy waste water drain connection for emptying out the tank.
- Designed for easy maintenance and serviceability, with all parts accessible by simply removing the front control panel. Each individual element can be uniquely replaced easily.
